In this time of uncertainty, there is one thing we do know. We appreciate the work being done by all of our essential employees - healthcare workers, public safety personnel, grocery store employees, auto mechanics, media employees, farmers, and restaurant employees - just to name a few. To add some positivity during Ohio's "stay at home" order, we wanted to do something fun. If any 4-Hers, their families, or volunteers would like to make a small sign to say thank you to a specific group of essential workers or all essential workers, take a picture with and email it to Jessica Adams. All photos received will be shared on our Facebook page! Please include #4Happreciatesyou and Miami County 4-H on your sign. All pictures can be emailed to adams.2309@osu.edu by 4:30 p.m., Wednesday, April 22. Once all photos are received and posted, you will be able to find them on the "Ohio State University Extension Miami County" Facebook page. Please share the post from our page to yours to help spread the appreciation Miami County 4-Hers, their families, and volunteers have for essential workers in a time like this!

Cannot wait to see your signs!

If you have any questions, please email Jessica Adams at adams.2309@osu.edu.
