Dear 4-H Ten Year and Final Year 4-H Members:

Over the years, the Miami County 4-H Ten Year and Final Year Member Recognition Program has marked a milestone in 4-H members' careers. It has served as a hallmark of members' growth and accomplishments throughout their time in the Miami County 4-H program. For many, it has also marked the conclusion of their time as a 4-H member.

Ten Year and Final Year Member Guidelines:

- 1) All youth who have completed 10 years in the 4-H program (including Cloverbud years) will be acknowledged with a **"Ten Year Award Certificate"**. Their picture will also be featured in the "Ten Year Award" display, and they will be recognized at the awards ceremony during the Miami County Fair.
- 2) Youth who have **completed 10 years in 4-H, AND are a senior in high school, or in their final year of eligibility**, will be eligible to receive a **"4-H Final Year Award"**.

(Note: If you are a senior who is 17 and has completed 10 years who does not plan to enroll next year, you are eligible to receive your Final Year Award. Please complete the final year section of the form. If you plan to re-enroll next year, do not submit your award form until next year.)

Their picture will be featured in the "4-H Final Year Award" display, their 4-H achievements will be read when possible during the appropriate show(s) at the Miami County Fair, and they will be recognized at the awards ceremony. Members may choose one of the following awards: an engraved clock, tray, or art glass. The awards are sponsored by the 4-H Advisory Committee of Miami County. **No award will be given if the selection is not turned in by the deadline date.**

All honorees are asked to return the attached form and email a current picture by **Friday, July 24, 2020**. Parents, if the 4-Her is not home, please complete the information for them, and return it to us. If you have any questions, please email woods.372@osu.edu.

Sincerely,

Demetria F. Woods
