Ohio 4-H Camp Cell Phone Policy

As a means of risk management, youth participants (campers and counselors) may not possess cell phones* during 4-H camp. Counselors shall not use cell phones (as alarms, music players, etc.) in their cabins at any time. Camp Program Directors have discretion for permitting camp counselors selective cell phone use during limited time periods, such as during out-posting, nature treks, or off-camp travel (field trips), or for other safety concerns where the use of two-way radios is not practicable. Camp Program Directors will determine consequences for possessing a cell phone. The State 4-H Office recommends a zero-tolerance approach: If an individual is caught with a prohibited cell phone, they will be sent home at the family's expense. Camp Program Directors also have discretion for prohibiting other internet-enabled devices at their 4-H camps.
