| 710GPM The Big Book of 4-H Cloverbud Activities | 5 and in kindergarten until age 8 and in the 3rd grade | ✦ Participate in six or more different Cloverbud Activities from the Cloverbud curricula or other age appropriate activities.  
✦ *Connect to College* raises awareness of college among 4-H’s youngest members through a series of engaging group activities. Includes twelve activities, supporting materials, and *On Campus with Cornelius*, an original, full-color storybook about an adventurous hedgehog who visits a college. | County Events  
*4-H Cloverbud Day Camp*  
June 9th, 2017 |
| 712GPM Connect to College                | 5 and in kindergarten until age 8 and in the 3rd grade | ✦ *Bioenergy Education* is a web-based resource that helps to develop an awareness and appreciation for a sustainable energy future. The material consists of three bioenergy curriculum pieces in the content areas of 1) bioenergy sources, 2) bioenergy conversion, and 3) bioproducts. Each curriculum piece contains about nine educational activities.  
✦ *Choose and Tell Cards* introduce your Cloverbuds to public speaking and communication skills. Forty-nine easy and engaging activities allow young learners to have fun, gain confidence, and develop important leadership skills. Activities are divided into four levels—from easy to difficult—and are color coded, so that selecting and sorting cards is easy. Includes box for storage. Additional supplies/materials required.  
✦ *Clover Cubes* combine creativity, cooperation, interaction, and fun into a great 4-H Cloverbud activity. Each Clover Cube has six discussion prompts that help children explore a particular topic and share answers with friends. Twelve cubes included that are easily assembled from brightly colored, punch-out shapes on heavy duty card stock.  
✦ *My 4-H Cloverbud Year* teaches the basics of 4-H and keeps track of the cloverbud’s activities and events. Completion of this book is optional and can be done with or without the help of the adult leader. It can be repeated each and is especially appropriate for older Cloverbud members as they prepare to transition to regular membership. | |
