STILL PROJECT JUDGING INFORMATION

Shooting Sports Project Judging: Sunday, July 9th

Interviews begin at 1 p.m. and will be scheduled out every 10 minutes. After their interview, youth will complete a test which will cover parts and terminology.

Once testing is complete youth will move outside to begin their hands-on portion where they show proper handling and shooting techniques.

Youth must be interviewed for their shooting sports project on July 9th to include interview and hands-on portion to be eligible for Ohio State Fair. Make-up interviews are available upon request and are NOT eligible for state fair.

Qualtrics to schedule interview times will open June 20th.

Still Project Judging: Wednesday, July 12th

The process will be the same as last year. Qualtrics link to schedule interview times will be available on June 20th. Miami County will be following the same requirements as Ohio State Fair. These requirements can be found on the “2023 Project Completion Requirements” document attached to this newsletter broadcast.

Youth must be interviewed for their project on July 12th to be eligible for Ohio State Fair. Make-up interviews are available upon request and are NOT eligible for state fair.

Advisors, check your club members’ books before project judging and make sure they have completed the activities and appropriate pages in their books.

Qualtrics to schedule interview times will open June 20th.

Project make-up can be scheduled by contacting Jessica Adams at adams.2309@osu.edu or 937-440-3946.

*****Community Service Challenge*****

The 2023 Miami County Community Service Challenge details are ready!

As discussed during Advisor Trainings, Jessica Adams is challenging each club to select one of the three locations to complete community service this year. Clubs must have 90% attendance when working on a chosen service project. Remember community service is a requirement in all books and a project completion expectation every year in 4-H. If your club already does community service at one of these sites, we are challenging you to come up with an additional idea at a second location.

Friendly reminder, if supplies need to be purchased each club will need to discuss options, make a motion, and vote before purchases can be made. All discussion and transactions must be reflected in the secretary's minutes. The treasurer's report will need to list expenses as well once money is spent. Receipts need to be kept for auditing purposes and reimbursements can only be made to those who fill out a form and submit it with a copy of the receipt. No tax will be reimbursed.

Please have all club news reporters write a summary of what was completed, when it was completed and include photos of the project. Not only is this for historical purposes for your club but it also gives us the opportunity to spotlight the work our clubs are doing. It is time to take "our hands for larger service" and support these three 4-H entities we are so lucky to have in our county. We are excited to see what you all come up with this year!

If you have any questions or need clarification do not hesitate to contact Jessica Adams at adams.2309@osu.edu. Club news reporters can email write ups and photos to Jessica as well.

SERVICE PROJECT OPPORTUNITY

LOOKING FOR WAYS TO HELP YOUR CLUB, COMMUNITY, COUNTRY AND YOUR WORLD?

Consider helping by stenciling storm drains within Miami County residential areas. These messages on neighborhood storm drains help educate individuals not only about how they can help improve water quality in their neighborhood, but throughout the entire watershed.

WHY STENCIL STORM DRAINS? Because toxic materials entering storm drains are damaging our water quality.

Each year people pour hazardous chemicals, pesticides, paints, detergents, paint chemicals, antifreeze and used motor oil down storm drains. Wastes such as street litter, cigarette butts, animal feces, leaves, and grass clippings are often dumped on the ground or into storm drains. When it rains, these wastes are taken directly to the nearest stream, river or lake. Storm water runoff is said to account for up to 80% of the pollution in some of our waterways.

Part of this problem is linked to citizens being unaware that the water that enters storm drains flows directly to rivers and streams, and is not directed to be treated for pollutants the way household sewage is treated. So, when it rains, the storm water carries all sorts of wastes directly into the local streams, rivers and lakes. For example, it has been estimated that one pint of oil can cause a slick about the size of two football fields on calm water.

By participating in a Storm Drain Stenciling Project you are helping to send a message about a relatively unknown pollution problem and, at the same time, suggesting appropriate actions that can be taken to combat the problem.

Contact Linda Raterman at Miami Soil & Water Conservation District at 937/335-7645 or lraterman@miamiswcd.org if you think this is a good fit for your club!

OHIO 4-H YOUTH
DEVELOPMENT

LEARN MORE

go.osu.edu/4thHClubChallenge

We pledge our "health to better living" but do we actually practice it? The 4th H Club Challenge encourages Ohio 4-H Clubs to learn, practice, and advocate for healthy choices and behaviors at 4-H club meetings. Practicing healthy habits and choices now has lifelong effects on the health of youth.

Each club that completes the challenge before the deadline will enter into the \$100 voucher drawing for their region to use for their club (project books, educational tools, etc.)! Each region will have a winner. The first 25 clubs that complete the registration and pre-survey will get an extra entry. How does it work?

Apply 3 healthy practices per meeting at 6 or more 4-H clubs/meetings from April - December 2023.

1. Register and complete pre-survey.
2. Record the dates and activities in the 4th H tracker link. (the tracker link will be provided after registering)
3. Share a picture of your club doing a healthy practice on social media. Be sure to include the official hashtag #Ohio4thHClubChallenge.
4. Submit all activities to the tracker link by December 31st, 2023.

4-H Shooting Sports Education Camp

Making Memories That Last a Lifetime

The Ohio 4-H Shooting Education Camps are fun-filled learning experiences for campers in grades 3-12. Offering two age-appropriate camps both held at Canter's Cave 4-H Camp. The junior level 3-day camp, is specifically for campers in grades 3-6, who would like to experience basic shooting sports disciplines including: *Archery, Shotgun, Pistol, Rifle, Hunting & Wildlife, and Living History*. The Senior level 6-day camp, is for teens in grades 7-12. It offers basic and advanced disciplines including *Beginner Archery, Action Archery, Beginner Rifle, Rifle Sport, Rifle Marksmanship, Beginner Shotgun, Shotgun Sports, Basic Pistol, Steel Rifle/Pistol, Living History and Hunting & Wildlife*. Both camps focus on the safe, responsible, ethical use of firearms and archery equipment. Shooting instruction is led by trained, experienced 4-H Shooting Sports Instructors. Campers will select one shooting discipline to focus on while at camp. They will also have opportunities to sample other disciplines along with fun traditional camping activities such as crafts, boating, fishing, hiking and more. All activities are conducted under the direct supervision of our trained instructors and 4-H staff.
