# All About Roses

**THURSDAY, MAY 24, 2018 • 6:00 P.M. – 9:00 P.M.**

Roses have been symbols of love, beauty, war and politics. Since the Roman period, roses have long been a gardeners favorite. Join us for “All About Roses” where we’ll discover a little history, differences in rose types, care, maintenance, selection, pruning, the best roses for the Midwest and what new roses are in development. Participants will receive a rose to take home.
