Bringing Green to Winter: Houseplants Care and Selection

Houseplants are a great way to add a little green to your winter blahs. With so many options available, especially exotic species, it may be difficult to have the best care plan.

Join Master Gardener, Linda Young, as she discusses selection and care of houseplants and how these unique species can add a splash of color to your home this winter.

Everyone will take home a plant and plant feed.

PRE-REGISTRATION IS REQUIRED due to space limitations. Please make checks payable to OSU Extension. Mail form and payment to: OSU Extension, 201 W Main St, Troy, Ohio 45373. Cash or credit card accepted in the office. **Deadline to register for "Houseplants" is Wednesday, Jan 31, 2018.**
