## What's the Buzz?

Honey bees have become all the buzz in the last few years as interest grows to protect them and other pollinators.

Join MGVs and Extension staff as we dive into honey bee hives and discover the complexity of the bee colony and how it relates to pollination and the development of our food.

Uncover ways you can help promote bee health in your very own backyard through management practices and planting the right plants to attract pollinators.

**PRE-REGISTRATION IS REQUIRED** due to space limitations. Please make checks payable to OSU Extension. Mail form and payment to: OSU Extension, 201 W Main St, Troy, Ohio 45373. Cash or credit card accepted in the office. **Deadline to register for "What's the Buzz?" is Wednesday, Jan 3, 2018.**
