bennett.709@osu.edu  
or visit [go.osu.edu/miamicoffee](http://go.osu.edu/miamicoffee)

## Hellebores: An Early Bloomer for your Shade Garden

Hellebores are an evergreen perennial flowering plant that do well in shade gardens. These Lenten roses, named such as they bloom in early spring near the observance of Lent, are an excellent way to add diversity to your garden

Join Master Gardener, Norma Follstaedt as she discusses this interesting species of shade plant. She will cover selection, maintenance and care for these Lenten Roses. She will also discuss how to incorporate them into your existing shade garden and other partners you can use in the soil.

**PRE-REGISTRATION IS REQUIRED** due to space limitations. Please make checks payable to OSU Extension. Mail form and payment to: OSU Extension, 201 W Main St, Troy, Ohio 45373. Cash or credit card accepted in the office. **Deadline to register for "Hellebores" is Wednesday, Feb 28, 2018.**
